FieldLynx™ Windows Throws Quick Start Guide

Step 1: Open the flight sheet for the throwing event
1. Turn on the computer.
2. Tap the Start Icon and Select Programs
3. From the Programs Folder, tap to open FieldLynx. The main screen appears.
4. Tap next to the throwing event.
5. Tap next to Round 1.
7. The flight sheet appears.

Step 2: Set up the throwing event
1. Tap to set up the throwing event.
2. Follow the instructions on the screen.
   - Set Measure to Metric or English, then tap Next.
   - Set up the Attempts.
   - If you are using LaserLynx, click Next and setup the laser control measurements, to save tap on Finish button.

Step 3: Check in competitors
On the flight sheet, Tap next to the competitor’s name and then tap . Later, you can:
   - Tap to suspend a competitor.
   - Tap to make a competitor up next.
After check-in, arrows are next to competitors’ names:
   - Single Arrow - competitor is up.
   - Two Arrows - competitor is on deck.
   - Three Arrows - competitor is on hold.

Step 4: Enter a competitor’s mark
1. Tap on the competitor up next (single arrow). The mark entry screen appears:
2. Record the competitor’s mark.
   - Tap: and enter the values using the keyboard. Then, tap .
   - to scratch the mark.
   - to pass the mark.
   - to erase the mark and enter a new one.
3. Tap ☐ to return to the flight sheet. Repeat for all competitors.

Step 5: Send results
Go to the flight sheet and tap ☐.

Add a competitor or edit an existing competitor
Tap ☐, enter the competitor’s information, and then tap OK.

Display standings
If you want to see the competitors listed in order of current standings, go to the flight sheet and tap ☐.

Convert quickly to English or Metric
Tap ☐.

If you are measuring with a laser
When entering a competitor’s mark, tap ☐.

If you are sending results to a scoreboard
Go to the mark entry or standings screen and tap ☐.
